

Mosaic Magic

By
Tamsin Partridge

Mosaic Courses

Learn the art of Mosaics to create your own masterpiece. Students can bring in artefacts such as a favourite plate or piece of jewellery and incorporate it into their design to make a unique house sign, wall hanging, table top, pendant or ring.

Tamsin has many years experience in design within the areas of Graphic, Jewellery and Garden with an RHS Gold Medal for her garden at Chelsea Flower Show 2002 and uses this knowledge to help the student bring their ideas to life.

All courses are run at Stanton Guildhouse, a unique learning centre situated in an area of outstanding natural beauty with panoramic views near Winchcombe in the Cotswolds.
