

Polymer clay beads workshop

Tuesday 7th November 2017

Time: 10.00am - 4.00pm (please bring a packed lunch).

Cost: £50.00 which includes all materials and tools required for the workshop.

Tutor: Ros Watts

Ros was an Assistant Headteacher in a secondary school but has 'retired' from teaching and set up her own jewellery business. She has 10 years experience making and selling jewellery and enjoys working in a range of different mediums including polymer clay, wire work and kumihimo.

On the course you will learn to make totally unique and vibrant polymer clay beads which can then be made into bracelets, necklaces or earrings. Some examples of the types of beads you can make are shown in the photos. No previous skills are required and you will be guided throughout the process.
