

Mosaic Workshops

Learn how to design a mosaic and fix the tesserae (tiles) onto a board or framed mirror.

Materials and tools are supplied with a demonstration at the end of the day on how to grout (a bag of grout will be given for you to complete your project at home).

Students can bring in artefacts such as an old plate or broken piece of jewellery and incorporate it into their design if they wish to make their own unique piece of art.

Tamin Partridge has many years experience in design within the areas of Graphic, Jewellery and Garden with an RHS Gold Medal for her garden at Chelsea Flower Show 2002 and uses this knowledge to help the student bring their ideas to life.

Workshop cost £55 to include materials.

Held at Stanton Guildhouse on Tuesday May 15th 2018
from 10am - 4pm
